CHAPTER 97—RAILROADS

Sec.	
1991.	Entering train to commit crime.
1992.	Wrecking trains.
1993.	Terrorist attacks and other acts of violence against public transportation systems.

HISTORICAL AND REVISION NOTES

This chapter does not include motor busses, interstate trucking facilities or airplanes within the protection of existing law. Motor busses and trucks already carry a huge amount of interstate commerce. It is reasonable to presume that much interstate freight and express will soon be carried by air.

Attention is directed to the consideration of the extension of the laws now applicable only to railroads to these other interstate facilities. 80th Congress House Report No. 304.
